Tuition is due by the 1st of the month.

The studio calendar for the school year runs from September through May. All tuition is due monthly even if a child is not in class during the final month of regular classes. Rent, teachers, utilities and other studio bills need to be paid regardless. Summer schedules begin in June for Children's Division classes and Intermediate / Advanced Division classes.

The summer program tuition is structured differently due to the number of consecutive hours a child is in class. Tuition has not gone up however there are tuition policies that must be read and signed prior to the start of the fall semester.

The studio is not responsible for missed classes due to illness, family vacation, or sporting events that are committed to after the studio year has begun.

Make-up classes are not the responsibility of the studio **unless** the studio closes for weather or classes are cancelled due to instructor illness and only if a substitute cannot be secured.

Note that all tuition must be current for students to participate in any performances!

Additional Fees:

\$15.00 Drop in class fee

\$10.00 Late fee if tuition is not paid by the 10th of the month.

\$35.00 returned check fee. No exceptions.

Master Class fees will apply and will be on a case by case basis. No exceptions. (These extra fees strictly cover the Master teacher. The studio usually pays a large portion of the fees associated with hiring a master teacher including but not limited to the security deposit required to hire a master guest teacher). Please note that the studio does not profit from master classes. I consider myself very lucky to break even!
